INTRODUCTION

We have tried to get the FAMILY RECORD of Grandpa Kauffman together as best we could.

We hope the kind readers will bear with us and overlook our shortcomings and mistakes.

Some of the Family Records are incomplete mostly due to the fact that they did not care to send their records.

We are thanking you one and all for your co-operation in getting this book thus far.

JACOB KAUFFMAN

Grandpa Jacob Kauffman lived where Aden Kauffmans live.

In about the year 1869, he went to Ohio with his wife on a visit. While there his wife died and was buried there. The children knew nothing of her death until he returned home.

About a year later Jacob died in the year 1871. He was on his way from church at the old David Hostetler place. He was found dead in the woods on David Miller's place.

That is all we know about Grandpa.
